## EXPLANATION

# Health Department Marriage Records

for

## DeKalb County, Indiana

1938

If the bride had been previously married and her former husband's family name is known, it is given after the number of marriages.

Several routes often crossed state lines.

These records were copied with the co-operation of many people. Josephine Roman, Clerk of DeKalb County, Indiana; Barbara Maynor, who was most encouraging and knows so much about Janelle Graber, Librarian of Eckhart Public Library, is responsible for making the records in book form. This project was completed by Fayne Harter, Fort Wayne, Indiana, 2005.
